Subject: **NPDES Permit No. TN0080314  
Fort Campbell Military Reservation  
Ft. Campbell, Montgomery County, Tennessee**

Dear Colonel Dellinger:

This letter is to inform you the Division of Water Resources is terminating the above referenced permit effective as of the date of this letter. The subject discharge permit expired on February 28, 2013. You advised that you were not renewing this permit because the new campus construction project is complete except for three (3) sites totaling less than fifty (50) acres. An these sites will be covered under the construction general permit. If you should decide to discharge again under an individual permit, you must reapply for an NPDES permit at least 180 days prior to any proposed discharge.

If you have questions, please contact the Nashville Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Jim McAdoo at (615) 532-0684 or by E-mail at [Jim.McAdoo@tn.gov](mailto:Jim.McAdoo@tn.gov).

Sincerely,

Vojin Janjić
